## HEALTH COUNCIL DELEGATION ATTEND HEALTH CENTER DEDICATION IN BUCKSPORT

Bethel Health Council members Mr. and Mrs. Elwyn Dickey, Jan Stowell and Walt Cherry attended the dedication ceremonies of the Bucksport Regional Health Center on Tuesday. Each was favorably impressed with the new facility which is a community-administered and owned clinic, affording 24-hour a-day, seven days a week emergency service to the citizens of the area.

It is staffed with two physician's associates (physician's assistants) and a registered nurse — a team which is trained to practice crisis medicine of the most dramatic types, even including the stabilization of coronary patients.

In addition to emergency service, they are equipped and trained to provide routine preventive medicine, including thorough yearly check-ups. In short, they are prepared to do all that family physicians do, including housecalls for the benefit of bedridden patients.

The Bethel contingent agreed that a similar establishment for the Bethel area would be highly desirable, and having witnessed the Bucksport success, they felt it is most certainly feasible.

## DEMOCRATS HEAR MITCHELL AND GARTLEY LAST THURSDAY

Oxford County Democrats feted District Candidate, Emily Saunders in Bethel last Thursday, Aug. 8, at Gehring Hall. Following an excellent pot-luck supper, gubernatorial candidate, George Mitchell, and 2nd District candidate for Congress, Mark Gartley, addressed the enthusiastic group.

The honored guests, pressed for time, made brief speeches. Each opened his address with a reminder that success at the polls need not and should not be won in the wake of, or because of the Watergate scandals. Rather, said they, election should be sought and won on positive proposals and programs.

Mr. Mitchell addressed his remarks to the plight of 150,000 Mainers over 65 who have an average income of \$3,000 a year or less, and who must use a large part of their income on medical expenses. Mitchell considers this deplorable situation as a high priority item and, if elected, he would introduce

Emily Saunders, far left, and Mark Gartley, right, listen as George Mitchell addresses group of Oxford County Democrats.

to the Legislature immediate proposals which would correct it.

Mr. Gartley's principal theme was the need for corrections in campaign funding, to insure fairer competition between qualified candidates for major offices. He suggested that federal money be allocated for the purchase of media time which consumes 60 to 70% of a candidate's funds. Private funding by special interests, according to Mr. Gartley, discourages many qualified persons who are not backed by such groups. This change, Mr. Gartley feels, would do much to enhance the quality of elective officers.

Mr. and Mrs. Rodney Brooks left Tuesday for Alameda, Calif., where Mr. Brooks has employment at the Alameda Yacht Harbor. They will take a northern route through Canada.

# Now, \$ Casco's New "Nestegg Savings" Option makes "Money-Manager" Even Better

"Money-Manager", the package money management plan from Casco, is already probably their single most successful combination of services. It gives you free checking with no minimum balance, an account for temporary savings and a loan account that lets you borrow at about half the cost of what many banks would charge.

When you add Casco's new "Nestegg Savings" option, "Money-Manager" becomes even more attractive than before. It allows you to finally build a more permanent savings nestegg, hopefully paying you more interest in the process, and guarantees to reduce even further "Money-Manager's" already amazingly low finance charge.

Come into any office of the bank that's always thinking and pick up a folder that gives you all the details. Find out if you qualify from an income and credit standpoint for Casco's new "Money-Manager plus Nestegg Savings". It could make a lot of sense for you.

We're always thinking...

## NORTHWEST BETHEL

—Mrs. Louise B. Chapman, Corres.—

"Monkey see, monkey do, monkey does the same as you." This early childhood chant returned to me vividly the other day. I had taken the girls to the animal farm in Rumford, and upon viewing one of the many animals there saw something that I'd never seen before. We were watching or rather I was, very intently I might add, Judy the Chimp. The longer I observed, the more amazed I became. To the girls, Judy was no more than a big monkey, to me she was a whole morning full of thoughts. One by one they came, ranging from toddlers to oldsters. Each one looked, each one laughed. Judy, spent most of the time looking. If you took the time to look back, you'd see her looking right thru you. I could see her thinking. As people came and went, I found myself unable to leave. It was more interesting to watch the people. They'd do anything, from making what they thought were monkey sounds, to verbal coaxing, to get Judy to perform. She was stubborn. When it finally came time to leave, I was half way out of the building and I looked back. Judy was there, alone now, perched on her swing, awaiting the next procession of humans. I would have given more than a penny for her thoughts!

Myrtle Lapham and Mildred Chapman attended Senior Citizens at Rumford Point on Tuesday.

Scott Mason has been working part time at the Bethel Inn.

Gerry Shimamura's aunt and uncle, Mr. and Mrs. Albert Chapman and daughter, Louise, were here from New Hampshire recently to visit.

Billy and Jody along with their mother, Gerry Shimamura, also Caroline Mason and Loreene Adams spent a week at the Nazarene Camp in Richmond, Maine. Gerry was a counselor there.

Mrs. Thelma Merrill spent some time in New Brunswick. She was taken there by Reverend and Mrs. Jackson, formerly pastor of the Nazarene Church, now from Massachusetts.

Mr. and Mrs. Ernest Angevine and "Grammy" Abbott were in Liberty, Maine, last week end, visiting their daughter and family, Mr. and Mrs. Bob Baudou. The Baudous are from Massachusetts, but are vacationing in Liberty.

Mrs. Judy Coolidge has been having a battle with the "bug". She has given up her summer employment and will be teaching this fall.

**THIS SCULPTURE ENTITLED "FOREVER,"** which suggests the endlessness of the sea, done by Botsey Faulk of Marshfield, Vt., is being used as the symbol for "The Sally Tang of Maine", a variety show sponsored by the Norway-Paris Business and Professional Women, which is now in rehearsal. It will be presented on Thursday, Aug. 22, at 8 p. m. in the Old Opera House, Main Street, Norway.

The program promises a sparkling array of local talent, including musical selections, both vocal and instrumental and several dance numbers, some featuring students of the Sue Farrar Dance Theater. Also a performance by the Celebration Mime Theatre and various other skills will be highlights of the evening, along with a very special guest artist, Chuck the Clown.

There is still room for additional acts and anyone desiring to participate is urged to contact Mrs. Marianne Penner at Norway 743-2021.

This production will be family entertainment at its best. Tickets are now available at several locations including Clukey's Pharmacy in Bethel.

## SOFTBALL TEAM TAKES FIVE IN ROW

The Bethel Bullets overpowered Andover in a close duel July 16 in a return match between the two teams with a final score of 23-23. Lorna Winslow, catcher for the Bullets, hit a home run with two girls on base in the sixth to make the score 23-23 and with excellent playing of the whole team they held Andover at two runs in the seventh.

On July 22 the team traveled to Rumford Point in a rematch where they topped the hosts 25-13.

The girls ended their season when they played a return game with West Paris here at home on Aug. 14 at the Gould field.

## BETHEL BULLETS HOST PARENTS

The Bethel Bullets played host to their mothers at the West Bethel Field and then skinned them 30-8 in a five inning game. Both teams did some good hitting with the mothers showing some excellent talent. At the end of the second inning, the Mothers were leading 6-5 but were unable to hold the Bullets in the remaining innings. Pitching for the Mothers were Nancy Wight, lead-off pitcher, relieved by Mary Brown and Ellen Durgin.

To save the good family name, the fathers then played their daughters and defeated them with a score of 22-10. Jim Hudson belted out a homer in the first then followed with a triple in the fifth. Pitching for Fathers were Lee Hutchins and Dana Bean and for the Bullets, Terri Wight.
